

9th September 2021.

Dear Parent,

RE: Voice Collective

I am delighted to be writing to offer your child an exciting opportunity – Voice Collective.

This is a ten-week song writing project, led by The Music Works. The project will involve the students working together to write their own song before performing and recording it to a professional standard. The recording will take place in school time but will be off-site at a studio. Transport will be provided.

We did a similar project three years ago and the results of that can be seen here:
<https://www.youtube.com/watch?v=zcesE0lrlyI>

This time, we are offering the opportunity to year 7 from both Balcarras and The High School Leckhampton.

There is a charge of £35 for the whole ten-week project. The project will run afterschool on Thursdays, 3.45-4.45pm, in MU2. I'm afraid no refunds will be available if a student misses a session for any reason. The project is due to start on **Thursday 30th September**.

If you wish your child to take part in this project, please give consent and make payment via Scopay by **9am on Friday 17th September**. Please provide any specific information asked for on Scopay in the comments box before making the payment. If permissible numbers are exceeded, a ballot will take place for all pupils who have met the deadline. A list of pupils obtaining a place will be displayed in the Trips Cabinet outside the Finance office. Refunds to unsuccessful pupils will be made shortly after the closing date. If you have any queries regarding the above, please email Mrs Davis, Music Administrator, sed@balcarras.gloucs.sch.uk

Please contact me at school if there are any queries.

Yours sincerely

Mrs H. Chong
Director of Music
