

October 21st 2020

Dear Sir/Madam,

**The High School Leckhampton
Section 10 Consultation**

The High School Leckhampton, a new 11-16 coeducational comprehensive School, will open in September 2021. Balcarras was appointed to sponsor the school by the local authority and the Regional Schools Commissioner in 2018.

We completed a Section 10 consultation in 2017 but have decided to open a fresh consultation now that we have detailed plans in place.

The consultation will launch on Wednesday October 21st and will run until Wednesday December 9th.

Details can be found at:

<https://www.newschoocheltenham.co.uk/>

You will also find a range of documents that outline how the school will operate. Although we have received plenty of informal feedback via our recent open events, this latest round of consultation will help us to hone and shape our plans prior to putting in place final arrangements for the school's opening in September 2021.

Yours sincerely,

Dominic Burke
Headteacher Balcarras/CEO of the Balcarras Trust

Rosi Shepherd
Chair of Trustees
